THEFT PROTECTION

Enjoy peace of mind
with superior benefits
and protection

Welcome to the Nissan Security+Plus Theft Protection Plan

How and why does it work?

Over a million vehicles are stolen every year in the United States. That is one every 20 seconds! Most are never recovered, or are recovered with extensive and costly damages. Since most people carry a significant deductible on their insurance policy, auto theft can result in substantial out of pocket costs to vehicle owners.

So how do you protect yourself?

The Security+Plus Traceable THEFT Protection Program is a highly effective way to keep your car safe from professional thieves. A unique identification code is permanently affixed to your vehicle in multiple locations. Thieves know that vehicles equipped with this type of protection system are easily traceable by police, so they frequently skip vehicles so equipped and seek out an unprotected vehicle.

Insurance companies know that the Security+Plus Traceable THEFT Protection Program is an effective theft deterrent, and therefore it meets many insurance carriers' requirements for anti-theft system premium discounts.

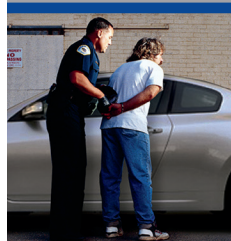

THEFT Program Coverages

In the event that the system fails to deter the theft of your vehicle, only the Security+Plus Traceable THEFT Protection Program provides real financial help when you need it most

- In the event that your vehicle is stolen and not recovered, or in the event that it is recovered but declared to be a total loss, you will become eligible for the following:
 1. **A cash benefit** that you can use towards the purchase or lease of a replacement vehicle, to cover your deductible, or to apply towards any other expenses that you may encounter.
 2. **Down Payment Assistance** – when you return to your selling dealership, you can receive an additional benefit that will be paid to the dealership towards the down payment on a replacement vehicle.
- In the event that your vehicle is stolen and recovered damaged (but not totaled), you will be eligible for reimbursement of **up to \$1000 to pay your primary insurance deductible**.
- In either event, you will be eligible for **rental reimbursement** expenses of up to \$25 per day for 10 days.

Wherever you are, you will enjoy the peace of mind of knowing that you are protected by the Security+Plus Traceable THEFT Protection Program. Fast response and superior service are just two reasons why millions of motorists rely on Security+Plus for on-the-road protection.
